

The Saturday Paper

MEDIA KIT 2022

The Saturday Paper. The whole story.

The making of quality media

Our Craft

Passion

Morry Schwartz, the founder of Schwartz Media, started his first publishing company in 1971 with a simple vision: to publish the best Australian writers in the most beautiful way possible. Now, whether it's a book, a magazine or a newspaper, every publication is still created with the individual care and attention it deserves.

Experience

With more than 40 years of experience curating and editing Australia's most influential writing and journalism, Schwartz Media has a long reputation for excellence. As well as publishing a groundbreaking weekend newspaper, Schwartz Media publishes the country's leading current affairs magazine, *The Monthly*, and sits proudly alongside an experienced book publisher, Black Inc., and the agenda-setting Quarterly Essay.

Distinction

The Saturday Paper offers comprehensive long-form journalism – content that is sadly neglected elsewhere in the media landscape. With a range of unique voices, *The Saturday Paper* also maintains a sense of trust and independence that can't be imitated. The bold design and premium production are merely an extension of this commitment to quality journalism.

Influence

The Saturday Paper has lasting relationships with more than 600 of Australia's most awarded and respected writers – all edited with a rare commitment to excellence. The mix of experienced contributors and fresh talent ensures *The Saturday Paper* is always the first choice for both writers and readers.

Newspaper Excellence

The Saturday Paper is the finest example of the craft of news publishing in Australia today.

It's an effortlessly stylish print and digital newspaper that features generous use of white space, a mastery of language and a burning desire to tell the whole story. This is the type of reading that you seek out, that you want to spend time with and enjoy.

The fully responsive website and app have been designed to put content front and centre, with layouts that are respectful of advertising space and that provide an uncluttered environment for seamless navigation.

Our Concept

The Saturday Paper reaches the analytical depth rarely seen by newspapers today. Whether it's breaking the biggest stories or interpreting the week's news, a focus on meaningful and intelligent reportage ensures each edition of *The Saturday Paper* stays with readers long after they've put it down.

In a world that seems harder to understand with every passing day, readers are demanding more – they demand news with substance, depth, insight and intelligence. But more than that, they demand journalism that treats them with respect.

**IN A WORLD THAT SEEMS HARDER TO
UNDERSTAND WITH EVERY PASSING DAY,
READERS ARE DEMANDING MORE.**

An audience you can't find anywhere else

Exclusive Reach

The Saturday Paper has an extraordinarily loyal and engaged readership. On average, every person spends 90 minutes reading each issue. The reason is simple: 89% of our readers tell us that *The Saturday Paper* has content they can't find anywhere else.

Our advertisers reach an exclusive and unique audience. For many readers, *The Saturday Paper* is now the only commercial media they consume. In fact, 55% of readers do not read *The Sydney Morning Herald*, *The Age*, *The Australian* or *The Australian Financial Review* on weekends.

This is a newspaper for brands that aim to start conversations in an exclusive, premium segment of the media market. This is a newspaper for brands that want to influence, not just advertise.

Premium Audience

An analysis of
The Saturday Paper's readers

Our readers are highly educated, affluent and influential. They command significant purchasing power but are incredibly particular about the things they actually purchase. They prefer only the highest quality, luxury brands with bespoke, artisan and sustainable qualities.

They lead fast-paced lives and typically spend the remainder of their spare time on conferences, travel, culture, dining out, reading and postgraduate studies. They are in their peak earning years, with a mortgage on an inner-city home plus considerable superannuation and a range of investments.

Our readers are in high-level positions in business, education, health, government, law, social enterprise, media and the arts. Although they're very well paid, their ultimate aim is to be a positive influence on society, and they look to *The Saturday Paper* to add nuance and insight to their understanding of the world.
